Photo/Video Release

There will be times when we will photograph and video your child throughout the year. We may keep a photo album, use snapshots as part of a display and/or share these media with you as part of looking at growth over time. We invite families to view any of these efforts.

The form below will give us permission to videotape and photograph your child. Please complete and sign this form and return it to us as soon as possible. If you have any questions, do not hesitate to ask. Thank you for your help.

I give permission for my child/ren to be videotaped or photographed.
