

## Friends, where did the summer go?!

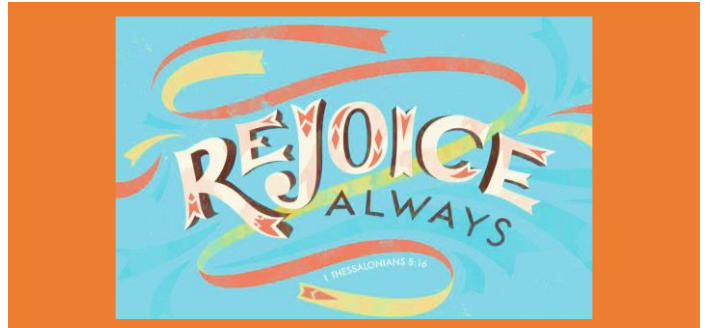

It is hard to believe that the Fall season is upon us, but the increase in activity around the church and the slightly cooler temps reveal that summer is wrapping up. The flurry of meetings this past week points to Bible studies, Sunday school classes, and various events soon to be filling the calendar for Covenant's Fall programs. This newsletter will share about some of the good things that are on the horizon for Covenant. I am excited for all that is in store for you in the coming season! I am also immensely grateful for my time with you this summer. I want to thank you all for the many ways you welcomed me this summer and I so appreciate the opportunity to be a part of Covenant's community.

It is truly a privilege to walk alongside a church for a season, even if just for a few quick summer months. There is a great energy at Covenant, and I hope you all feel it too! You have committed and hopeful leaders. You have a vibrant preschool that brings such joy to the hallways of the church. You have a building and grounds that reflect God's beauty. You have so many talented musicians and folks willing to share their gifts of music which makes your worship lively and expressive. I encourage you all to find ways to live out your faith both at Covenant and in your community.

As Kyle prepares to return, I pray that you will share with him the joyous, hopeful spirit that you shared with me. The gift of a time of sabbatical, which you graciously shared with your pastor, means that your pastor will return with some fresh perspectives and ideas, a rested spirit, and a readiness for what lies ahead. I pray that you continue to look for creative and new ways to share God's good news with the neighbors around you. Continue to build on the joyful momentum that you have and trust that God is doing many wonderful things at and through Covenant Presbyterian Church. Thank you again for the opportunity to walk, laugh, worship, and serve alongside of you this summer. I give thanks for the words of C.S. Lewis, who sums it up best, "Christians never say goodbye, they only say until we meet again!" That is the gift of the body of Christ and being the connectional church, and it is with joy that I know I will get to see you in our good work around this presbytery!

God's peace be with you,  
Rachel

## Youth Connection

The youth have had a wonderful summer of water adventures! The teens and parents want to thank the Ridenour family for a July lake day filled with boat rides, tubing, dinner, and hand cranked ice cream. A second day of swimming fun came from the Farthing family as they opened their pool, complete with diving board, for a full afternoon of fun, food, and games in August.

Our teens are now into the school year with academics, band, sports, chorus, robotics, and other extracurricular activities. Stay tuned for more news from our teens as we return to a chronological study of the Old Testament in Sunday School, mission projects, and Sunday evening activities with Windsor Hills UMC!

## The Joy of Giving

Dear Covenant Family,

We are entering an exciting time to be a part of our church family for many reasons. First, the Long-Range

Planning Team and congregational leadership have put forth numerous improvements to our church building that will increase our accessibility and ability to reach the community. A new playground, accessible doors, new signage, kitchen upgrades and upgraded video capabilities are the Session approved projects happening now. Covenant has been blessed with generous donations to fund these important projects.

Also, Covenant is beginning to grow in numbers not seen in recent years. Whether it is a church filled with children or numerous new friendly faces, there is a feeling of excitement at Covenant.

Finally, Covenant remains engaged in dynamic and important ministries. For anyone with a heart to serve, there are all kinds of missions to become engaged in, both locally and globally. As demonstrated at the Mission Fair in May, we participate in numerous traditional organizations, as well as providing new mission outreaches.

During this exciting time at Covenant, our dreams and aspirations require teamwork. Please keep up your pledges as this is important to keep funding the mission of Covenant Presbyterian Church. The well-being of the church and our mission initiatives are all attainable if we all work together with our own joys of gratitude. Covenant is unique and blessed to have each and every participant with us. Additional information will be available in the fall regarding specific ways to contribute to our church's journey. Thanks for being a part of our congregation's effort to Love God, Love Others, and Make Disciples.

Sincerely,  
Your Generosity Team

## Update from the Long-Range Planning Team

Much has happened since the Officer's Retreat in March 2023 when Capital Projects were presented, carefully discussed as they relate to the mission of the Church and finally voted upon. Teams were set up to focus on the projects and amazing things happened:

1. The conversion of the Parlor to a Family Room is complete.
2. Clearing of the Fellowship Hall stage is near completion.
3. The playground upgrade project has been fully funded by a generous donation from a member. New equipment has been ordered and work is scheduled to begin in late fall.
4. Installation of accessible front doors is complete. Thanks to another generous member's donation, this project was also fully funded.
5. Outdoor and indoor signage is in progress and will be completed shortly. Thank you to Greg and Andrea Stevens for donating their time and talent, as well as their generous donation of all costs.
6. Video upgrades in the Sanctuary for better livestreaming will be moving forward shortly thanks to several generous donations.
7. Fellowship Hall Kitchen upgrades are underway, also thanks to a generous member's donation.
8. Fellowship Hall upgrade/refurbishment is in committee for ongoing consideration.
9. The Columbarium project is being reviewed from a feasibility standpoint.
10. A solar energy project for Covenant is in committee for ongoing consideration.

All of these things have been accomplished in the last 6 months, for the benefit of our Covenant church family. We are truly blessed!

**Mary Blackwell has been Covenant Presbyterian's Sexton for 21 years.** Many church members would not know her as she works after 4 PM or on the weekends cleaning primarily the downstairs areas. **Mary is retiring at the end of August and cards and gifts will be collected for her through September 17.** Checks may be made payable to Debbie McClure and gift cards will be purchased with any donations. Mary plans on doing some home improvements. An envelope is on the Volunteer Desk in Heritage Hall (marked "Debbie McClure"). **Thanks for remembering this special long-time employee!**

#### **Congratulations to . . .**

**Gary and Rowena Stein on their recent marriage!** After ten years together they had a spring wedding in Vegas, with their children in attendance, and they honeymooned at the Grand Canyon. Welcome, Rowena, to our Covenant family!

**Kyle & Beth Allen on the arrival of their 2nd grandson, Adam Turner Preece, on Thursday, August 17th, in Charlotte, NC.** Their oldest daughter Courtney, husband Jeffery & 3-year-old Cole welcome baby Adam to the family. Elizabeth is excited to be Aunt to both Cole & little Adam.

#### **With Thanks . . .**

**I want to thank all of you at CPC** for the many thoughts, prayers, and cards that were sent to me during my recent knee surgery. My Covenant family means so much to me. I felt the love from all of you. My healing is going great . . . now on with the other knee!  
Love & Blessings, Betty Young

#### **Dear Covenant Family,**

**David and I want to thank each of you** for your prayers and support as I heal from my accident. Rachael's sermon this past Sunday on "Seeing Jesus" really resonated with me. With every meal, call, email, card, or visit, we saw God's love shining through each of you. We also saw God's love as we learned grace to accept each of the gifts from you. My doctors diagnosed my injuries, but the real healing happened because of our loving church.

Thank you, Bette and David Brand

#### **Toiletries and Clothing Drive**

**Covenant Presbyterian is coordinating a Toiletries and Clothing Drive for the patients of the Bradley Free Clinic's HOPE Initiative** during their rehabilitation. **Soap, deodorant, toothbrushes, and toothpaste** are especially needed, as well as casual adult clothing (new/gently used), underwear, T-shirts and socks (new). Please bring items to the designated box in the vestibule. Thank you!

#### **Hunger Offering/Two-Cents-A-Meal**

On the second Sunday of each month, we receive our special hunger offering to assist the Presbyterian Community Center Food Pantry and other hunger initiatives supported by The Presbytery of the Peaks. So far this year, our congregation has given \$5,499. **Thank you for your generosity!**

## The Warm Heart of Afrika: Malawi Mission News 2023

**Variety!** This is the word to describe our two-week Malawi mission to Kalikumbi and Embangweni in June 2023. We had nine members with different expertise, experiences, and talents to share with our brothers and sisters in Christ.

**Rewarding!** It was so rewarding to see old friends and make new friends. Rev. BK Kaira is now the pastor in Kalikumbi. Embangweni has new copastors with Rev. Longwe as Head of Station and his wife Rev. Nellie Longwe as the Chaplin at the Embangweni Mission Hospital. This is a first in the CCAP church...sounds familiar to Covenant history! These are very dedicated leaders of many people.

Rev. Longwe & Rev. Nellie Longwe

Rev. John & Florence Gondwe

**Activities and Programs!** The word variety covers this area again. Our team was involved in "Drip Irrigation" training and garden set-ups in several different village areas; team member Rev. Dick Boswell led many prayers and preached at the church service in Kalikumbi; trips to the hospital "out clinics" for pre- and post-natal women's care and education, DaysForGirls education and distribution of 150 menstrual/hygiene kits in two different schools; two eye clinics for vision evaluation with 191 people seen and referrals for further care and the distribution of reading glasses; four classes in three different schools on the importance of "Earth Care, Bats, and Pollination"; prayer visits to patients and families in the hospital; tutoring students in various classes and schools; a large painting renovation in Deaf School Chapel; and training and sharing time with the leaders and members of SCOM (Student Christians of Malawi) local organization.

**Results!** The real outcome of this "multi-project" mission is working alongside the people of Malawi in their space and living situations. All of our projects had local people involved in the planning and execution of activities. With "feet and eyes on the ground" we again know what the needs and wants are for continuing our future projects and Christian relationship with Malawi.

Hospital vehicles being pushed into a bay for repair. It will take \$10,000 to get the ambulances and vehicles back into good dependable condition.
